At CFI, we believe in giving those in need a hand up, not a hand out. As we strive to assist those who are suffering for their faith in Jesus Christ, microenterprise has become a critical way to "bridge the gap" for dozens of suffering Christians around the world.

Through the innovation of microenterprise, CFI is providing lifesaving income for these impoverished Christians in countries like Burma, Laos and Bangladesh.

About Christian Freedom International

The mission of Christian Freedom International is to help Christians who are persecuted for their faith in Jesus Christ.

The work of Christian Freedom International centers around the words of Hebrews 13:3: "Remember those in prison as if you were their fellow prisoners, and those who are mistreated as if you yourselves were suffering."

CFI believes that all able Christians have a responsibility to assist others in the Body of Christ who are living under the burden of harassment, imprisonment, torture, and martyrdom. We strive to raise awareness of the crisis surrounding the persecuted church by mobilizing Western Christians in prayer, advocacy, and action.

We are a nondenominational human rights organization providing aid, advocacy, and Bibles to Christians in areas of intense persecution.

Extending the Lifeline Through Christian Handcrafts

Christian Freedom International (CFI) is proud to work with talented Christian artisans in the persecuted church to deliver quality handcraft clothing, bags, home décor items, and toys for resale in the U.S. marketplace.
