Materials: 2 skeins of Berroco

Alpaca Yarn

Needles: #13 circular and double points

Abbreviations:

CO - cast on

PM - place marker

K2tog - knit two together

chibi - a needle used to darn in ends for mending

CO 60 sts with yarn doubled.

PM at beginning of round.

K1 P1 around hat continuing in this pattern for 14 inches.

Top of hat decreases:

K8, K2tog one round.

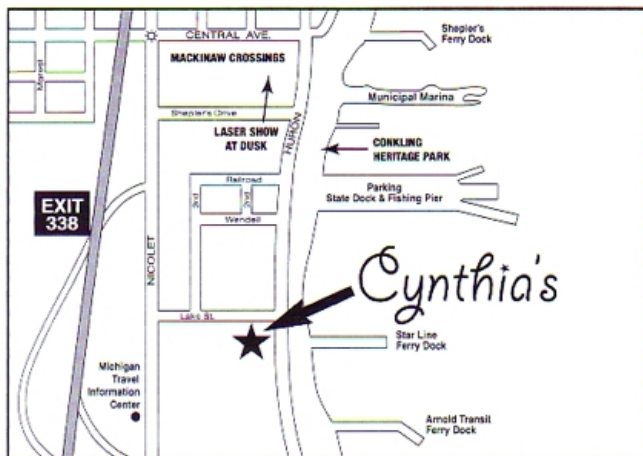

*Knit one round.

K7, K2tog one round.

Continue from * and decreasing by one stitch each round following until you have gotten down to K2tog for whole round. Complete that round followed by one knit round. Use chibi needle and run end of yarn through stitches left and weave in ends. Roll hat up twice on your head and feel the warmth.

Note: You lose much body warmth from your head in the winter . . . wear a HAT!
