

Take A Trip Back Through Time At

# **DELAWARE COPPER MINE**

Over 150 years of mining history are featured at the Keweenaw Peninsula's premier tourist attraction!

Operating from 1847 until 1887, this authentic, historic mine offers a walking tour that takes you 100 feet below ground to explore one of the earliest mines to operate during the country's first major mining boom. You'll see pure veins of copper exposed in the walls of the mine, along with other geological interests.
