

# Visit Grand Island National Recreation Area

*Walk on long sandy beaches*

*Boat in Lake Superior's  
refreshing, clear waters*

*Mountain bike on top of  
300-foot tall sandstone  
cliffs with breathtaking views  
of water and sky*

*Explore the fascinating  
history of this amazing island*

*Camp along a beach or atop  
a cliff, beneath the star-filled  
northern sky*

## Cross Over to Adventure!

Grand Island National Recreation Area is the perfect place to spend a day, weekend, or even just a few hours touring, hiking, biking, kayaking, exploring or just relaxing. The island's breathtaking overlooks, pristine sandy beaches, fascinating cultural sites, deep hardwoods, and inland lakes make it an exciting destination.

Located in the Upper Peninsula just west of Munising, Michigan, Grand Island is the largest island on the south shore of Lake Superior.
