**Michigan
History**
magazine

Michigan History

takes you to the people and places
of the **Upper Peninsula**.

Isle Royale

Appreciate the natural beauty of a national park whose cultural history can be traced back 4,000 years.

Calumet

Walk the streets that Annie Clemenc strode during the tragic 1913-14 copper strike.

Negaunee

Recall Michigan's worst mining disaster while visiting the Michigan Iron Industry Museum, where the nation's iron industry stories are told in pictures and artifacts.

Marquette

See the Marquette County Courthouse where Theodore Roosevelt sued an Ishpeming editor for libel.

Whitefish Point

Remember Michigan's most famous shipwreck, the *Edmund Fitzgerald*, when visiting the Great Lakes Shipwreck Museum.

Laurium

Visit the hometown of "The Gipper," the man most responsible for building Notre Dame's football tradition.

Fayette

Discover a late-19th-century industrial complex whose snug harbor, white cliffs and lush forests make it one of the state's most stunning sites.

Ishpeming

Learn about author John Voelker and how his best seller, *Anatomy of a Murder*, became a blockbuster movie starring Jimmy Stewart.

Iron Mountain

Appreciate how Tom Izzo's hard-knocks story to basketball fame began in this city.

Mackinac Island

Explore an island that one famed visitor described as "the wildest and tenderest piece of beauty" she had ever seen on Earth.

The **ONLY** thing better than being there...

Michigan History magazine

provides the history behind some of your favorite travel destinations. Better than any

travel guide, *Michigan History* goes

beyond the site and explores the human

element of the state's rich past. And unlike a

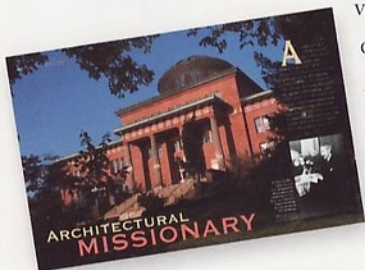

vacation, you

can enjoy

Michigan

History all

year long.

“I have learned so much from your magazine.”
