Village Fabrics & Crafts opened in 1986 in Bellevue, Michigan. In October of 1992 we moved to our present location in Paradise. In 2003, the new addition doubled the size of the shop. We are open 362 days a year.

Visiting Village Fabrics & Crafts is a delightful experience for people of all ages and interests. Those who enjoy quilting and other needle arts will find an extensive selection of books, patterns, fabrics and supplies on a wide variety of subjects with an emphasis on the special attractions of the area including animal wildlife, birds and lighthouses. Many projects have been conveniently packaged as kits using our special selection of supplies. Some of our newest kits include patterns of our exclusive designs.

Explore the unique gift selections throughout the store. You'll find wildlife pillows, special stationery, quilt and needle art related gifts and so much more. A purchase from Village Fabrics & Crafts will provide a lasting reminder of a memorable visit to the Paradise area.

Village Fabrics & Crafts is just ten minutes from Tahquamenon Falls, Whitefish Point, the Great Lakes Shipwreck Museum, Whitefish Point Bird Observatory and numerous campgrounds.

Paradise is a year round recreation area. Each season offers so much to explore and enjoy. Whether you choose a vigorous activity, a hike thru the woods or sit quietly observing nature; you will be experiencing nature's beauty at its best.
